INSTRUCTIONS

1. Thin down Chiffon paint by mixing 50% water with 50% paint.
2. Use a fan brush to apply 2 coats of the watered-down Chiffon paint to the top part of the tumbler (above the band) and the top edge of the tumbler.
3. Use a medium brush to apply 3 generous coats of Pretty In Pink to the bottom section of the tumbler (below the band).
4. Next, use a fan brush to apply 3 generous coats of Blush to the inside of the tumbler. Allow the piece to dry.
5. Paint the band on the tumbler with 4 coats of Blush.
6. Use the scissors to cut out the NCR word pattern and place it on the side of the tumbler.
7. Press firmly with a ballpoint pen as you trace over the pattern. Now you will have a light line on the piece as a guide to paint.
8. Thin down Pink Berry by adding a small amount of water (70% paint and 30% water) Use a liner brush to apply 2-3 coats of Pink Berry to the words.

TIPS

- Apply 3 generous coats of the Blush when painting the inside of the piece, that color is translucent and looks more solid when applied generously.
- When painting the letters, the harder you press down on the brush, the heavier the line will be. To get thinner lines, use less pressure on the brush.
